Stewardship Reflection

As part of this year's stewardship campaign, we invite you to reflect on how today's Gospel reading connects with your own experience in the St. Peter's community.

Please take a moment to respond to the prompt below. You may include your name or leave it anonymous. Once completed, place your response in the basket on the piano when you exit.

We'll be displaying these reflections throughout the season as a celebration of the many ways St. Peter's brings comfort, hope, and renewal.

Where Have You Experienced New Life at St. Peter's?

Luke 17:11-19: Jesus heals the 10 lepers

In today's Gospel, Jesus meets ten people in desperate need—cut off from their communities by illness and shame. With compassion and power, He heals them all. But it is the one who returns in gratitude who receives not just healing, but wholeness.

Take a moment to reflect:

When did you find care or healing in a new group or community?
